To make this effort successful, we need YOUR help!

Run/walk/bike in the 5k–we need participants who can run/walk/bike the 5k and are able to collect financial pledges from sponsors to offer as donations to the run.

Promote the run–NYC ABC is a small collective and we need help printing and distributing posters and flyers to spaces/events/venues/businesses where they will reach the most folks who are likely to find sponsors & participate in the run.

Donate to the run/sponsor a participant–if you are not available to attend, but want to support the fundraising effort, donate online or with the app at **venmo.com/nycabc** or mail donations to:
